

## Spring 2010

Please join LACASA for our 5th Annual *Walk a Mile in Her Shoes, The International Men's March to Stop Rape, Sexual Assault and Gender Violence®* on Saturday, April 24, 2010 at Tanger Outlet Center.

**“You can't really understand another person's experience until you've walked a mile in their shoes.”**

*Walk a Mile in Her Shoes* asks men to literally walk one mile in women's high-heeled shoes to support LACASA. It's not easy walking in these shoes, but it's fun and it gets people talking about a difficult subject: sexual violence. People unfamiliar with it often don't want to know it exists. People who have experienced it themselves want to forget about it.

The Men's March gives men the opportunity to show their commitment to end sexual violence, a problem that affects **all of us**. One in six women in the United States will be sexually assaulted in her lifetime. Chances are that someone you know, someone you care about has been or will become a victim of sexual violence.

LACASA invites you to join with us in our efforts to make **our community** a safer place. Your participation will help us raise awareness of the issue of sexual violence and spread the word about the services available at LACASA for those walking the path from victim to survivor.

## How can you help?

Men, women and children are invited to participate in this event. Men are encouraged (but not required) to wear high heels. Pre-registration is recommended.
